Exhibition Description: CHICAGO, IL – June 30th, 2023:

Co-Prosperity is excited to present *DMG CTRL*, a call-and response concert and exhibition produced by Make Space. The exhibition features around 10 artists and 10 musicians who came together to curate collaboratively and create cover art, celebrating a range of genres. Join us at Co-Prosperity for a performance and exhibition experience that celebrates the connection between Chicago's music and art communities!

DMG CTRL opens with a ticketed concert on **June 30th from 9PM-11PM** at Co-Prosperity. \$5 drinks and \$5 street tacos will be available! All of the sales help us pay our participating artists.

Tickets for the concert are \$20- get yours now!

DMG CTRL was developed and produced by Make Space, a collective of four artists working across visual art, photography, and music. The concert and exhibition are designed to provide underrepresented artists with a free, open, and sustainable platform to share and profit from their work. Our hands-off selection process and jury-less curatorial style were chosen to give artists and musicians more agency in how they choose to present their work.
